Τŀ	IE PERI	OD FOR RESPONSE: [check only a) or b)]					
	a) 🔀	expires months from the mailing date of the final rejection.					
	b)	expires either three months from the mailing date of the final rejection, or on the mailing date of this Advisory Action, whichever is later. In no event, however, will the statutory period for the response expire later than six months from the date of the final rejection.					
	date on determi	tension of time must be obtained by filing a petition under 37 CFR 1.136(a), the proposed response and the appropriate fee. The which the response, the petition, and the fee have been filed is the date of the response and also the date for the purposes of ning the period of extension and the corresponding amount of the fee. Any extension fee pursuant to 37 CFR 1.17 will be ted from the date of the originally set shortened statutory period for response or as set forth in b) above.					
	Appell period	ant's Brief is due two months from the date of the Notice of Appeal filed on					
	piicant	's response to the final rejection, filed on <u>Sep 11, 2000</u> has been considered with the following effect, T deemed to place the application in condition for allowance:					
X	The pr	oposed amendment(s):					
	☐ wi	Il be entered upon filing of a Notice of Appeal and an Appeal Brief.					
	X wi	Il not be entered because:					
	X	they raise new issues that would require further consideration and/or search. (See note below).					
		they raise the issue of new matter. (See note below).					
		they are not deemed to place the application in better form for appeal by materially reducing or simplifying the issues for appeal.					
		they present additional claims without cancelling a corresponding number of finally rejected claims.					
	NO <sup>-</sup>	TE: Amendatory language in claim 5 relating to direction of current collection is a new issue.					
	□ Ap	plicant's response has overcome the following rejection(s):					
	Newly separa	proposed or amended claims would be allowable if submitted in a sate, timely filed amendment cancelling the non-allowable claims.					
X	The artific for all the artific	ffidavit, exhibit or request for reconsideration has been considered but does NOT place the application in condition owance because:  guments/results are still not commensurate with the claims. Independent claims 6 and 8 do not recite "sintering"					
		tegrally burned" limitations. Additionally, only results for prior art composition (continued below)					
	the Ex	ffidavit or exhibit will NOT be considered because it is not directed SOLELY to issues which were newly raised by caminer in the final rejection.					
X	For pu	For purposes of Appeal, the status of the claims is as follows (see attached written explanation, if any):					
		s allowed:					
		s objected to:					
	Claims	s rejected: 4-17					
		roposed drawing correction filed on hashas not been approved by the Examiner.					
	Note 1	the attached Information Disclosure Statement(s), PTO-1449, Paper No(s).					
X	Other	of lanthanum chromite are shown. However, lanthanum chromite is not the basis of the present rejection. Other compositions that Soma et al. disclose are relied upon (which are substantially identical to the claimed compositions, with some having different subscripts). Unexpected results/unobviousness must be shown between GROUP
